Blue - How do I access my course evaluation

Students can access their Blue evaluations through one of these three entry points:

- Canvas:
  - Popup - a popup upon logging into Canvas directs students to their course evaluations.
  - Course Navigation - the "Course Evaluations" link in the course navigation - if the link has not been turned off by the instructor.
  - Account - students can access the "Course Evaluations" link by navigating to Account > Course Evaluations.

- myWSU - from the "Manage Classes" tile, the course link is under the "Course Evaluations" tab.

- Blue - students can access course evaluations directly through Blue: https://blue.wsu.edu/
