Disable Pop Up Blocker

**Problem:**
When I attempt to access transcripts nothing happens. I clicked on a form and the website does not respond.

**Solution:**
Pop-up Blockers must be disabled before continuing:

The new MyWSU Fluid interface opens many items in New Windows on your web browser. Typically, web browsers are set up to block pop-up windows by default. You can either turn off the pop up blocking on the browser, or add an exception for our website - https://csprd92.wsu.edu.

- **Block or Allow Popups in Chrome**

- **Pop-up Blocker Settings in Firefox**

- **Turn Pop-Up Blocker on or off in Internet Explorer**
  (select the Pop-up Blocker dropdown on the page)

- **Where to find Block Pop-Up Windows checkbox in Safari (you can un-check the box to turn off)**
