

# Viewing Which Books are Needed for Classes in MyWSU

## Issue/Problem:

How to view what books students need for their classes in myWSU.

## Solution:

You can view which books are needed for classes by signing in at [my.wsu.edu](http://my.wsu.edu) and clicking the "Manage Classes" tile.

At the top of the Weekly Schedule page, there is a link that takes you to the Bookie Website and will automatically import your classes for you so that you can easily find which books are needed for your classes.
