

Zoom - How to Sign into the Zoom Integration for Microsoft Teams

Issue:

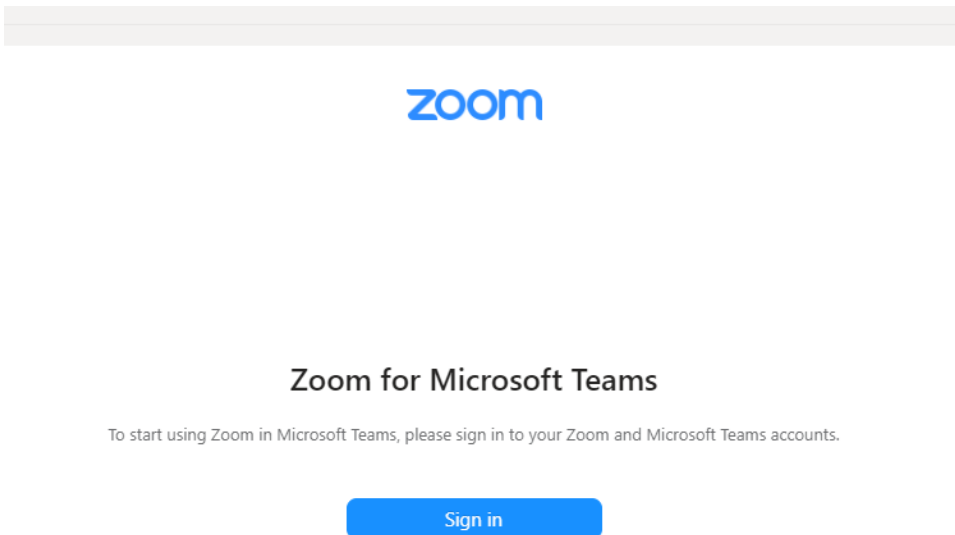

I would like to use Zoom from within my Teams application.

Solution:

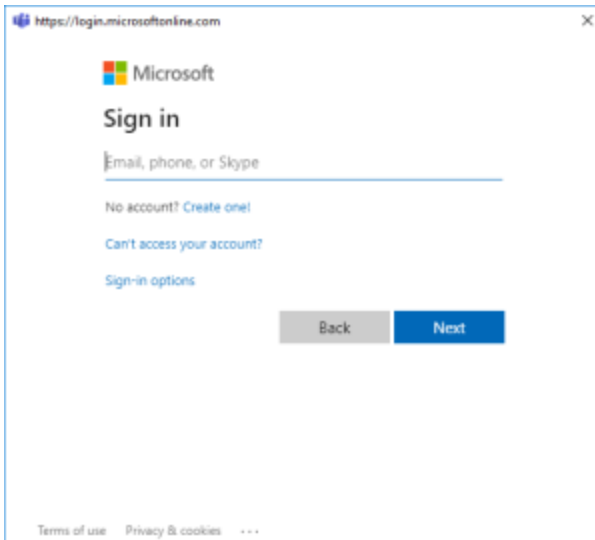

Here's what you need to do to integrate your WSU Zoom account with your WSU Microsoft Teams application. This will allow you to start, schedule, and join Zoom meetings from the Teams application.

Step-by-step guide

1. Click on the 'Zoom' Tab on the left-hand side of the teams application
2. Click the 'Sign in' Button

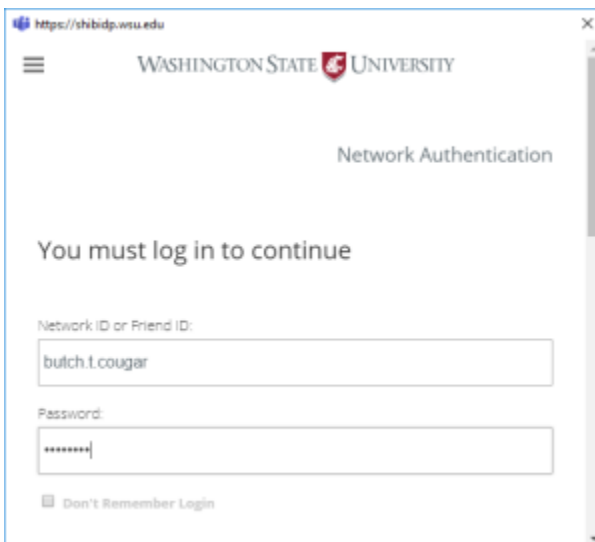

3. Enter your WSU email address and click 'Enter' or 'Next'

The page features the Microsoft logo, a 'Sign in' heading, and a text input field for 'Email, phone, or Skype'. Below the input field are links for 'No account? Create one!', 'Can't access your account?', and 'Sign-in options'. At the bottom are 'Back' and 'Next' buttons. The footer contains links for 'Terms of use', 'Privacy & cookies', and a menu icon.

4. You will be brought to the WSU authentication page, enter your WSU network ID and password

The page header includes the WSU logo and the text 'WASHINGTON STATE UNIVERSITY'. The main heading is 'Network Authentication'. Below this is a message: 'You must log in to continue'. There are two input fields: 'Network ID or Friend ID:' with the value 'butch.t.cougar' and 'Password:' with masked characters '*****'. A checkbox labeled 'Don't Remember Login' is at the bottom left.

5. Upon successful authentication, check the 'Don't show this again' and click 'Yes'

The dialog displays the Microsoft logo, the email address 'casey.oleary@wsu.edu', and the heading 'Stay signed in?'. Below this is a message: 'Do this to reduce the number of times you are asked to sign in.' There is a checked checkbox labeled 'Don't show this again'. At the bottom are 'No' and 'Yes' buttons. The footer contains links for 'Terms of use', 'Privacy & cookies', and a menu icon.

6. You can now 'Start a meeting', 'Schedule a meeting' or 'Share Screen' using Zoom from within the Teams application
