The main content area shows the 'Grades' section for the course. The 'Student Names' column has a menu icon (three vertical dots) next to it. A dropdown menu is open, showing options: 'Sort by', 'Display as', 'Secondary info' (highlighted in red), and 'Show'. The 'Secondary info' option has a sub-menu open, showing options: 'SIS ID' (highlighted in yellow), 'Integration ID', 'Email:', 'Group', and 'None' (checked). The 'EC Syllabus quiz' column shows scores of 5 out of 5 for two students.

The ID's will then appear directly below the name.
