Wordpress: How to Change the Look of Your Labs Site

A quick tutorial on how to change the basic look of your WSU Labs site

1. Go to the **Dashboard**
2. Click on **Appearances**
3. Click on **Customize**
4. Go to both
 - a. Spine Options
 - i. Which has the option for **Signature**, **Spinal Column Color**, **Grid Behavior**, and **Search Status**
 - b. Style Options
 - i. Which has **Additional Styling**, **Secondary Color** and **Sitewide Spacing**
5. Click **Save & Publish**
