

WSU Mobile - Requesting an App Manager Account

To get access to WSU Mobile App Manager, please submit a request to crimsonservicedesk@wsu.edu and cc your manager or director. Please include the following information:

- Your Department
- Your Manager/Directors Name

Example Request

My name is Butch Cougar, and I work for New Student Services. We are interested in building applications in the WSU Mobile platform. I would like access to App Manager, so I can take the training and begin producing content for my department. My supervisor, Jane Doe, has approved this access and is cc'd on this request.

Department: New Student Services
Supervisor: Jane Doe

Thanks,
Butch Cougar
