

# WSU Mobile - Governance Committee

## Purpose

The purpose of the WSU Mobile Governance Committee is to provide a single point of contact to the University community for all issues concerning the WSU Mobile Mobile Application, and to create, maintain, and enforce all policies, procedures, standards, and practices relating to the content, functionality, and usage of WSU Mobile Mobile Application.

## Authority and Responsibilities

The WSU Mobile Mobile Application Governance Committee will be responsible for governing:

- Content standards
- Content order
- Content creation, updates and removal
- Content policies
- Student Development / Department Development Program
- Student Hack-a-Thon

## Summary of Approach

The WSU Mobile Governance Committee shall initially be composed of representatives that directly influence users associated with student success. Change requests will be submitted to the committee for approval.
